ATTACHMENT C (Development Application)

Statement of Environmental Effects (SEE)

A Statement of Environmental Effects (SEE) is required to accompany all development applications. This Statement of Environmental Effects template is designed to form an attachment to the Development Application. It can only be used for certain development types (see below).

✓	Applicable Development Types
	Single Residential dwelling (single storey and in a residential zone only – excluding Conservation Area)
	Residential Alterations or Additions (single storey only)
	Other Domestic Buildings and Structures (including swimming pool, sheds, carports, etc.)
	Strata Subdivision of existing buildings
	Minor works in Conservation Area (e.g. painting, cladding, plastering, re-roofing, changing materials, fittings such as doors, windows and screens, etc.)

Other development proposals must be accompanied by purpose written statements.

The SEE must address all impacts that are relevant to your proposal. **Appendix 3** of the ***Development Application Preparation and Lodgement Guide*** will assist you in ensuring that you have considered all of the potential impacts relevant to your proposal. Other issues not listed in Appendix 3 may also be relevant and should be included in the SEE. You are encouraged to expand upon the material provided in any way you perceive as relevant.

Where potential impacts are identified, please ensure that you provide relevant comments and information on the measures that are proposed in order to mitigate against those impacts. You may need to provide additional pages/documentation (etc.) as an attachment to this SEE.

☐ **I have provided supporting information on pages/documents attached to this SEE.**

Failure to provide the requested items will delay processing of the development application and may result in the application being returned to you for completion or additional information requests being forwarded to you from Council.
